

Let Your Light So Shine

facilitated by Tom Bonacci, C.P.

Engaging the Inner Light of Self and Others

The darkness of violence, hatred, prejudice, and fear so surround us as to threaten the inner serenity that is natural to our souls and spirits. We are surrounded by a Universe that creates and recreates in a Cosmic dance. The rhythm of the Cosmic Order is naturally embedded in the human heart. We must listen to the heart seeking its light, peace, and beauty resisting the temptations to internalize the violence around us.

During this retreat, we will study and practice what it means to live by the inner light of the heart accessing that peace which gives birth to the justice of mercy, understanding, and compassion. Joyful introspection, sharing dialogues, silence, and communal study and journal writing will inform our practice as we seek to release our inner light in the deeds of loving-kindness.
