

# Seeing and Being Seen through the All-Loving Eyes of God

Enneagram: Living in Healthy Relationship(s)

November 1-3, 2019 *(This is an advanced Enneagram Workshop\*)*

One indication that we are moving towards a holistic or integrated spirituality—that we are living in healthy relationship with God—is to consider how we are living in relationship with others. The focus of this workshop will explore those relationships (or personality types) that are cause for frustration or conflict, and shine a light on the blind or shadow places to *be seen* and to see into the deeper truth from where we can set free our defense patterns, expectations, projections.

\*Participants will need to know their own Enneagram Type by having completed an introductory Enneagram workshop or course and have some familiarity with all nine Enneagram types.
