This 12-week retreat on the *Spiritual Exercises* (19th Annotation) integrates the contemplative practices developed by St. Ignatius with the wider lens of our continually evolving universe and our participation in God's desire and designs for our current world context.

The wisdom and insights of Pierre Teilhard de Chardin, S.J., and other contemporary wisdom figures, will enhance the original *Spiritual Exercises* in assisting the retreatant to experience the sacred in the realities of daily life.
