

Cultivating the spiritual life will always draw one deeper into the meaning and mysteries of life, of self, of God.

This workshop will be introduction and exploration into the Enneagram Defense System that is identified with our personality types. The Enneagram offers an awakening to the stumbling blocks that hold us back from living out of our wholeness or essence. Such an awakening is best explored and held in safe and sacred space, where we can be seen by God, wounds and all, who meets us and loves us, as and where we are. This workshop is a spiritual journey of integration, transformation and compassion.
