

Seeing and Being Seen through the All-Loving Eyes of God

Introduction to the Enneagram
May 29-31, 2020 (Days Only)

Cultivating the spiritual life will always draw one deeper into the meaning and mysteries of life, of self, of God, of *it all*.

This workshop will be introduction and exploration into the *Enneagram Defense System* that is identified with our personality types, and awaken us to the stumbling blocks that hold us back from living out of our wholeness or essence. Such an awakening is best explored and held in safe and sacred space, where God embraces the whole of our lives.
