

# advent transformation retreat christian-jungian dialogue

December 8-10, 2023  
*facilitated by Don Bisson, FMS*

The advent Christmas season is a profound archetypal call to rebirth and transformation. Each character of the story reveals movements of the soul: Mary and her archetypal “yes”, the birth of the divine child, Joseph and his dream life, Herod with the narcissistic rage and resistance to change, angelic and heavenly presences, and the wise men following synchronicity. This retreat will invite you to make this the best Christmas ever!!
