

# Introduction to Enneagram Seeing and Being Seen Through the All Loving Eyes of

Weekend Workshop  
September 30 - October 2, 2022

Cultivating the spiritual life will always draw one deeper into the meaning and mysteries of life, of self, of God. This workshop will be introduction and exploration into the *Enneagram Defense System* that is identified with our personality types. The Enneagram offers an awakening to the stumbling blocks that hold us back from living out of our wholeness or essence. Such an awakening is best explored and held in safe and sacred space, where we can be seen by God, wounds and all, who meets us and loves us, *as and where we are*. This workshop is a spiritual journey of integration, transformation and compassion.

*The most subversive invitation you could ever accept is the invitation to awaken to who you are and where you have landed .... When your soul awakens, you begin to truly inherit your life. You leave the kingdom of fake surfaces, repetitive talk and weary roles and slip deeper into the true adventure of who you are and who you are called to become .... You begin to trust the music of your own soul; you have inherited treasure that no one will ever be able to take from you. ~John O'Donohue*
