

Spirituality at the Beginning of the 21st Century

At the beginning of the 21st century: Where are we? Who are we? What will our future be? This year we will reflect on how we can live righteously, how we can co-create God’s Reign on earth, and how we can heal our wonderful yet broken world.

In the past few years, Pathways has studied the Primeval and Axial Ages, the Middle Ages and Modern & Post-modern modes of thought, culture and spirituality. We will continue this journey in this year’s Pathways series.

As always, Pathways looks to and uses the Holy Bible and the Judea-Christian traditions to ground our work.
