Our monthly online gatherings will use sacred texts, poems, Soulcollage® and other creative processes for reflection, renewal and restoration. Soulcollage® is a profoundly playful and accessible process, usually enjoyed even by “non-artists.”

Our theme for 2023 is Opening the Heart. We'll explore many aspects of compassion, including compassion for ourselves, others and creation. Themes will include hospitality, forgiveness, healing, courage, hope, wisdom, acceptance, resilience, imperfection and grace. Each session will stand alone; newcomers are always welcome. An optional introduction to Soulcollage® will be offered at 12:30. Come join us on the third Wednesday of the month!

Joan Stockbridge is a trained Soulcollage® facilitator and spiritual director who regularly leads groups from various and diverse backgrounds. As a poet and storyteller she facilitates workshops using sacred stories and texts for transformation and healing. Her own contemplative path has led to working in pastoral and outreach ministries.
